Press release 25 November 2026

Issuance, repurchase and reclassification of Class C shares under incentive program in Asker Healthcare Group

Today, on 25 November 2026, the Board of Directors of Asker Healthcare Group AB (publ) ("**Asker**") has resolved to issue 850,000 new Class C shares and to immediately thereafter repurchase and reclassify all of the issued Class C shares into ordinary shares.

The purpose of the issuance, repurchase and reclassification is to ensure the delivery of ordinary shares to employees within the Asker group in accordance with Asker's long-term performance-based investment share program, which was adopted by the Annual General Meeting on 7 May 2026 ("**LTIP 2026**").

By virtue of the authorization granted by the Annual General Meeting on 7 May 2026, the Board of Directors has resolved to increase the share capital by SEK 1,246.132145 through a directed cash issue of 850,000 Class C shares to Nordea Bank Abp, filial i Sverige ("**Nordea**"), at a subscription price corresponding to the quota value of the shares. Furthermore, the Board of Directors has resolved to immediately repurchase all of the issued Class C shares from Nordea at the same price as the subscription price and to reclassify all of the issued Class C shares into ordinary shares.

Following the completion of the issuance, repurchase and reclassification, the total number of shares in Asker will amount to 384,556,497 ordinary shares. The 850,000 reclassified ordinary shares will be held by Asker for delivery to participants under LTIP 2026. As of the date of this press release, Asker holds 670,000 ordinary shares.
