Acquisition of Kirstine Hardam

Asker Healthcare Group has signed an agreement to acquire 100 per cent of the shares in Kirstine Hardam A/S (Hardam), a leading distributor of medical supplies in Denmark.

Hardam specialises in the sale of branded supplies from leading international manufacturers within ostomy, wound care, nutrition, and incontinence care to hospitals and direct-to-patient services in Denmark. The company has 20 employees and generated revenue of approximately SEK 200m in 2024.

The acquisition remains subject to regulatory approvals and is expected to be closed in the fourth quarter of 2025.
