Agreement to discontinue acquisition of Kirstine Hardam

Asker Healthcare Group and KMT Medical Europe Limited, the owner of Kirstine Hardam A/S (“Hardam”), have mutually agreed to discontinue the transaction of Hardam that was announced in June 2025.

“Hardam is a well-run company with a strong position in the Danish healthcare market, but after a long closing process, we have, in the best interest of the company, agreed with the seller to stop the process. We are now turning our focus to other attractive opportunities in our strong pipeline of acquisition targets across Europe,” says Johan Falk, CEO of Asker Healthcare Group.
